2. Formation and Duties of Standing Committees:

- (a) Finance Committee: Finance Committee members will be appointed at the start of each fiscal year by the President with the consent of the Board, and will consist of at least three (3) members of the Corporation. In addition, the Finance Committee will periodically analyze the financial condition of the Corporation, to include a review of the accounting system, the chart of accounts and the accounting and disbursing procedures for appropriateness, completeness, and effective internal controls. The Finance Committee will research and recommend to the Board avenues for the investment and growth of the Corporation's money to ensure that maximum return, safety, and soundness is maintained. The Finance Committee will consider input from the Long Range Planning Committee and any special committee formed to advise on specific bequests and donations received.

The committee Membership will include no more than 3 current Board members. After consideration of input from the Finance Committee, any bequest committee, and the Membership, the Long Range Planning Committee will research, define, and suggest to the Board five, ten, and fifteen+ year plans.
- (e) Bylaws Committee: The Secretary will appoint and chair a group consisting of at least two (2) other members of the Corporation to review the Bylaws of the Corporation at least once each fiscal year. The Bylaws Committee will submit the results of each review to the Board, along with any recommendations for changes or amendments to the Bylaws.

C. Board of Directors Meetings

- 1. Quorum: A 70% majority of the Board constitutes a quorum for the transaction of business at any meeting of the Board. Fractional numbers follow standard rounding rules. If less than a 70% majority is present at said meeting, a majority of the Directors present may adjourn the meeting.
- 2. Meetings
 - (a) Regular Meetings: A Regular Meeting of the Board will be held without other notice than by these Bylaws within one (1) month after the Annual Meeting of the Membership. A monthly meeting of the Board will be held on a regularly scheduled basis as determined by the members of the Board.
 - (b) Special Meetings: Special meetings of the Board may be called by, or at the request of, the President or

three or more Directors. The person or persons authorized to call a special meeting of the Board may fix any place for holding such special meetings.

- (1) Notice: Notice of any special meeting of the Board will be given at least three (3) days before the meeting by written notice delivered personally, by mail, or by email to each Director at his address as shown by the records of the Corporation. Receipt of the meeting notice must be confirmed by each director.
 - (2) Any Director may waive notice of any meeting. The attendance of a Director at any meeting constitutes a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any special meeting of the Board need be specified in the waiver of notice of such meeting, unless otherwise specifically required.
- (c) E-mail Vote: When a situation requiring a Board vote arises between regularly scheduled Board meetings, the Board may vote by e-mail using the following procedures:
- (1) The Secretary will administer the e-mail voting process. If the Secretary is unavailable, another Executive Officer, in the order of President, Vice-President, and Treasurer, must administer the vote.
 - (2) The issue must be clearly proposed as a motion, with a time period set for discussion and a date set for the vote.
 - (3) A quorum is constituted by 70% of the Board members acknowledging receipt of the issue by sending an e-mail reply to the Executive Officer administering the vote.
 - (4) A majority vote of the quorum is required for a motion to pass, unless stricter criteria have been set.

- (5) A written record of the vote cast by each Board member and/or member of the executive committee will be included in the minutes of the next regular meeting of the Board held following such vote.
- (6) If any Board member requests the issue be discussed at a Board meeting in lieu of e-mail, no vote may be taken and the issue will be included as an agenda item under Unfinished Business at the next scheduled Board meeting.
- (7) The same conditions and procedures described in Article V, Sections C.1.(c)(1) - (5) apply to votes required of the Executive Committee.

3. Substitution:

- (a) Upon taking office, a Board member other than the President or Vice President may designate an Assistant and present that name to the Board. The Operations Director must fulfill this option in accordance with Article V, Section A.3.(e)(3). Upon majority approval by the Board, the Assistant Officer/Director may attend Board meetings in lieu of the Officer/Director as a voting member. The presence of the Assistant in lieu of the Board Officer or Director will count towards quorum.
- (b) A Board Director may appoint a member of his/her team as Acting Director to cover a known absence. If notification to the Board occurs at least one week prior to a meeting, the Acting Director may attend the meeting in lieu of the Director as a voting member. The presence of the Acting Director in lieu of the Director will count toward quorum.
- (c) Any Board member may designate a representative to attend a meeting for information purposes only in his/her absence, by notifying the President a minimum of twenty-four (24) hours prior to the meeting. The Board member's substitute will not count towards quorum and does not have voting privileges.

D. Vacancies

1. Order of Succession to the President

- (a) Should the President be unable to complete the term of office, the Vice-president will automatically

assume the office of president for the remaining balance of the President's term, and, as President, follow the procedures outlined for Other Vacancies in Paragraph 2 (below) to fill the position of Vice-president. Should the Vice-president for any reason be unable to assume the duties of President, the Secretary will assume the office of President as described above.

- (b) If neither the Vice-president nor the Secretary is able to assume the office of president, an Interim President will be selected from among the elected Board members to hold office until such time as a special or general election can be properly called to vote on a new President. Selection of the Interim President will be by 2/3 majority vote of a quorum of Board members present at a meeting designated for such a vote.
2. Other Vacancies: With the exception of the office of the President, which is defined by Article V, Sections D.1.(a) - (b), any vacancy occurring on the Board will be filled by Presidential appointment, subject to the approval of the Board. The President will announce the vacancy to the Board in person, by phone, by mail, or by e-mail and allow one (1) week for members of the Board to propose eligible appointees. A member appointed to fill a vacancy on the Board may hold office for the remainder of the current term.

ARTICLE VI: NOMINATIONS AND ELECTIONS

A. Nominations:

1. A notice inviting nominations will be given by the Board to the members of the Corporation no later than November 30th each year.
2. The Nominations Committee will be directed by the Board to present one or more eligible candidates for each office to be filled and further be directed to report to the Board all instances when this cannot be done. Candidates for Board positions must have been members in good standing of the Corporation by January 1st of the election year. A member is considered to be in good standing if he or she has paid the annual Membership dues, is not under charges/investigation (per Resolution H.3.a.2.), and is not otherwise being considered for

denial or revocation of Membership (per Article III, Section D.).

3. The list of nominations will be presented to the Membership no later than the 31st day of January in each year. Each candidate will submit a statement of qualifications and intentions to the Nominations Committee no later than the 15th day of February of the election year.
4. Any member of the Corporation may, no later than the 15th day of February in each year, submit in writing to the chair of the Nominations Committee or to the President, the name or names of other members proposed for nomination as a Board member. These additional nominations will not be accepted unless endorsed in writing by four (4) additional members of the Corporation and must be accompanied by a statement of qualifications and intentions. The name of each nominee who has indicated in writing the intention to accept the nomination must be submitted in writing to the Membership no later than two weeks prior to the election.
5. The names of all nominees, their statements of qualifications and intentions, and instructions for the election will be submitted in writing to the Membership no later than two weeks prior to the election. There will be no other nominations accepted at the meeting of the Corporation at which elections are held.
6. In the event that the Nominations Committee report is delayed beyond January 31, the report will include a stipulation extending the deadline for nominations from the Membership by one day for each day of delay in issuing of the said report.

B. Elections

1. Election of members to the Board will be held at the Annual Meeting and under the direction of an appointed Election Chair. Members of the Election Committee will determine the qualifications of voters, prepare the ballots, collect and count ballots, and perform other tasks as required by the chair.
2. Members possessing voting privileges as defined by Article III, Section C. may vote in the election of the Board, provided application for Membership was submitted not later than January 1st of the year of the election.

3. The Election Committee Chair will read aloud to the Membership in attendance the statements of qualifications and intentions provided by each candidate to the Nominations Committee, unless the reading thereof is waived by a majority vote in favor of such a motion from the floor. No other discussion of nominees or issues will be permitted at the election.
4. Election will be by secret ballot, and the officer determined by a plurality vote of the qualified members present and voting plus the qualified absentee ballots received prior to the election meeting. Other than the names of the newly elected Board members, no election results will be announced at the meeting unless a motion made by a member of the Corporation requesting the teller reports passes. The teller reports will be recorded in the meeting minutes.
5. Write-in candidates are not accepted. A write-in will be considered a spoiled vote for the candidate in question, and therefore not counted as a vote.
6. "No suitable candidate" will be included as a voting option for each position on the ballot. If "No suitable candidate" receives the plurality of votes, the position will be filled by Presidential appointment, as described in Article V, Section D.2.
7. The Teller's Report and election ballots will be held by the Secretary until after approval of the election meeting minutes by the Membership following an election, at which time the Secretary will dispose of these materials.

ARTICLE VII: FINANCES

- A. **Contracts:** The Board may authorize any two members of the Board to enter into any contract or execute and deliver any instrument in the name and on behalf of the Corporation, and such authority may be general or confined to specific instances. However, no purchase, sale or encumbrance of the real property of the Corporation or any instrument or contract resulting in the sale, purchase, or encumbrance of the real property of the Corporation will be valid or binding on the Corporation, nor approved by the Board, unless the same is first approved by the members of the Corporation by a two-thirds (2/3) vote of the members present and entitled to vote.
