A gleeful mix of gothic horror and big-hearted satire of small town personalities, this musical is set to a peppy, melodic pop rock score. Captured in a cave near Hope Falls, West Virginia, Bat Boy is a terrifying half human, half bat mutant. Even though he becomes eminently civilized, the townspeople cannot overcome their revulsion and tragic mayhem ensues. A hilarious send up of traditional musicals and all the love-overcomes-all themes you've ever witnessed in theater or the movies. As the New York Times said, "Big laughs...a jaggedly imaginative mix of skewering humor and energetic glee."
