WHO'S AFRAID OF VIRGINIA WOOLF?

Directed by Craig Allen Mummey

Featuring: Debbie Barber-Eaton, Ron Giddings,
Joseph Mariano and Sarah Wade

George, a professor at a small college, and his wife Martha have just returned home, drunk, from a Saturday night party. Martha announces with liberal profanity that she has invited a young couple—an opportunistic new professor at the college and his stunningly naive new bride—to stop by for a nightcap. When the couple arrives the charade begins. The drinks flow and the inhibitions melt. It becomes clear that Martha is determined to seduce the young professor, and George couldn't care less. But underneath the edgy banter lurks an undercurrent of tragedy and despair, provoked by a secret that has seemingly been the foundation for the elder couple's relationship. In the end the secret is exposed, revealing the degrading mess they have made of their lives.
