# VANYA AND SONIA AND MASHA AND SPIKE

Vanya and Sonia rarely leave the confines of their childhood home in Bucks County, Pa., while their sister Masha has been gallivanting around the world as a successful actress. A surprise visit from Masha and her 20-something boy toy, Spike, throws the normally quiet household into utter upheaval as its residents and visitors get swept up in an intoxicating mixture of lust, rivalry, regret, and the sudden possibility of escape. Some of the show's elements were derived from works of Anton Chekhov, including several character names, the play's setting in a cherry orchard, and the theme of the possible loss of an ancestral home.
