Maytag Virgin

written by
Audrey Cefaly
directed by
Edd Miller

In small-town Alabama, there's nothing worse than being the forty-something town widow — at least that's how Lizzie feels since her husband died in an accident. Her days of avoiding returning to work, enjoying doing the laundry, and quietly reading on her back porch are interrupted by her new neighbor Jack, also a widow, and his installation of a Maytag dryer on his back porch. A surprise discovery of a cache of love letters lead Jack and Lizzie to connect over grief, regret, and laundry. Through their bond they begin asking the questions of when to live again, and more importantly, when to love again.

Featuring Ben Carr and Laura Gayvert
