BY THE WAY MEET VERA STARK

 DIRECTED BY ELEANORE TAPSCOTT

Our second show of the season takes us to the Golden Age of Hollywood and shines the spotlight on Vera Stark, a headstrong African American maid and aspiring starlet.

Vera's life is transformed when she's cast in a trailblazing role... in a movie starring her boss. Decades later scholars and historians grapple with Vera's legacy in Hollywood and the impact race had on her controversial career. This spritely, sly satire is a journey through Vera's seventy-year life and a sharp take on race and culture — both in the past and today.
