## **In David Ives' cerebral and sexy**

**comedy,** Thomas Novachek is a

beleaguered playwright/director who is desperate to find an actress to play Vanda, the female lead in his adaptation of the classic sadomasochistic tale *Venus in Fur*. Into his empty audition room walks an equally desperate actress—oddly enough, named Vanda. As Vanda and Thomas read the lines of the play-within-a-play, Thomas becomes increasingly aware that Vanda is more than an auditioning actress with an incredible talent. But who is she? Might she actually be Venus herself come to enlighten Thomas – or perhaps punish him?

*Venus in Fur* opened in New York to immediate and intense critical acclaim, garnering a 2010 Tony® Award nomination for Best Play.
