Karen Lambert, Shirley Panek,  
Glen Pearson and Ashley Spooner

Welcome to South Boston, a working-class neighborhood where this month's paycheck covers last month's bills, and where Margie Walsh has just been let go from yet another job. Facing eviction and scrambling to catch a break, Margie thinks an old fling who's made it out of the neighborhood might be her ticket to a fresh new start.

**Good People** is about what it means to be down, but not out in today's economic atmosphere. How one copes and still retains a sense of integrity, tenderness and humor. It is a poignant, character-driven slice-of-life story from Southie, focusing on the relationships between those who got out and those stuck in dead end jobs or with no jobs at all.
