THEATRE IN 360°

A NEW BRAIN

APRIL 12 TO MAY 5, 2019

A New Brain is an autobiographical musical by William Finn (*Falsettos* and *The 25th Annual Putnam County Spelling Bee*.) The show opens with Gordon working at his piano trying to meet a deadline and irritated by his boss, a children's television host named Mr. Bungee, who dresses as a frog. At lunch with his agent, Gordon collapses and is rushed to the hospital. Descending upon his hospital room are a hilariously absurd cast of characters: his oppressive mother, his supportive lover, hospital staff, and a wise homeless woman and a hallucination of his haranguing, amphibian boss. Facing his own mortality and awaiting brain surgery, Gordon wrestles with the person he has been, the legacy he will leave behind, and ultimately, the person he will be if he survives.
